## :: Vaxxinova Diagnostics business hours

You can contact us from Monday to Friday at our business hours 8.00 till 18.00 o'clock. Additionally, we offer you the possibility to deposit your samples in our sample cooler in the parking courtyard of the Bicity Leipzig. We look forward to describe the way to the cooler to you via phone or email. Please be aware, that the sample package shouldn't be larger than 35 x 20 x 20 cm.

Vaxxinova Diagnostics offers you a large diagnostic portfolio since 2012. Our laboratory is accredited according to DIN EN ISO/IEC 17025. Examinations that do not fall under the specifications of the national accreditation authority are accordingly labelled. We can provide the list of accredited examinations to you in advance.

## :: Sample transport / Courier services

When you submit samples to us, they will be received by our friendly office staff who will also be your point of contact for any queries. Submission forms can be downloaded from our website [www.vaxxinoa-diagnostics.de](http://www.vaxxinoa-diagnostics.de). On our website, you find our current offer of all examinations in the navigation area “diagnostic services”.

### **Please send your samples to:**

**Vaxxinoa Diagnostics GmbH · Deutscher Platz 5e · 04103 Leipzig · Germany**

If you have any questions, please contact us at T +49 (0) 341 463 79 8 50.

Please find below an exemplary list of couriers that deliver diagnostic samples to Vaxxinoa Diagnostics: UPS, DHL, FedEx, TNT.

When sending by courier it should be explained that the sample is for routine diagnostic testing and is non-hazardous. Please check your national regulations for the labeling of packages.

Guidelines for packaging your samples:

- Ensure the sample is sealed securely and wrapped in cotton wool or paper towel.
- Enclose the sample in a small rigid container that prevents leakage.
- Ensure all the details are filled out on the submission form  
(who gets reports, invoice; examinations).
- Put the box, submission form and payment information inside a padded envelope.
